November Mid-month Market

The Farmers' Market is pleased to announce the seasonal return of the Mid-month Markets.

The first one will be held on Saturday 14 November 2009. We again are offering an extra opportunity for customers to purchase products in between the regular 4th Saturday Markets. With Christmas fastly approaching, this is the perfect opportunity to think of gifts or to order fresh produce, plants or flowers for your Christmas celebrations.

Bathurst Community Climate Action Group

The Bathurst Community Climate Action Group (BCCAN) will be holding a gathering at the Farmers' Market to promote the Copenhagen summit. A banner will be unfurled and a photo taken to send to Copenhagen. Please welcome BCCAN to the Market and join in the photo opportunity if you wish.

Calumet Park Pelargoniums

Bathurst Farmers' Market is pleased to welcome Beth Quinton back to the Farmers' Market for the warmer months. Beth's Pelargoniums will produce a fantastic display of flowers to enhance your garden or patio and make fantastic gifts.
